Subject: Information - May events - BS and MS graduates of McKelvey Engineering

Dear Student/Alum,

You are receiving this communication because you may want to participate in two upcoming celebrations:

- All-University Commencement on Monday, May 13 at 9 AM on Francis Field
- McKelvey Engineering BS/MS Recognition Ceremony on Saturday, May 11 at 11 AM in the Field House

We invite all students who graduated in SU23 or FL23 along with those who may graduate in SP24, SU24 or FL24 to attend one or both of these May 2024 events.

You should have just received a note from the Commencement Office, please follow their instructions for all things related to the Monday, May 13 **All-university Commencement Ceremony**. This is the ceremony where your degree will be conferred. You will stand at the time of conferral, but not cross the stage nor be individually recognized. You will also order regalia (which is required for both ceremonies) through the Commencement Office - [Ordering Regalia](#)

Very soon you will be receiving a note via Marching Order that will include instructions on what to do for the **McKelvey BS/MS Recognition Ceremony** begin held May 11th. This is the ceremony for McKelvey graduates earning a Bachelor or Master's degree. It is at this event that your name is called as you cross the stage. Please watch for the communication, and do all of the things that it requests to make the most of your recognition ceremony experience.

If you have questions that are related to...

finishing your degree (Intent to Graduate form, degree clearance, etc.) contact McKelvey Registrar@wustl.edu or one of your academic advisors.

preparing for your school recognition ceremony, contact McKelvey_Commencement@wustl.edu. More information here: <https://engineering.wustl.edu/offices-services/commencement.html>

preparing for the all university commencement, contact commencement@wustl.edu. More information here: commencement.wustl.edu

We are so excited for you!

The McKelvey Recognition Ceremony Team
